(home of the Ready Xpo located at 1619 River Rd. Robbins)

- As discussed during our meetings we do have room for tents. We ask that we know ahead of time and that the tents are no more the 10x20.
- We have limited room for RV's and it is boondocking (self-contained only). We ask to know this ahead of time.
- There is a bath house for instructors only with two stalls and one shower in both the men and women sides.
